

WELCOME TO OUR  
PRINCE OF WALES SCHOOL  
WEBSITE!

Prince of Wales School is a Learning Community that works closely with parents and our community partners to create an environment where students feel PRIDE in their accomplishments, take OWNERSHIP for their success by showing responsibility and by participating enthusiastically in all aspects of school life, and by developing their ability to make good choices that show WISDOM. Student safety and success is the #1 priority of our staff and we welcome parent input and participation in school life. We are proud of our commitment to student achievement and look forward to future success. Our staff works as a team to provide for the needs of all students. We continue to grow and learn through our Professional Learning Communities model where staff work together to set goals, implement strategies and measure growth in our students. Please browse our website to get a better understanding of our excellent programs - from academics to extra-curricular clubs and sports. We are proud of our school and welcome you to join our community. If you have questions, please do not hesitate to call our school office at 905 937 2225.

Mrs. P. Voth,  
Principal
